

# WINELIST

The world of wine has never been as diverse and exciting as it is right now. Our wine list is designed to help you explore this world together with us. We focus mainly on Europe, but we're not afraid to offer exceptional wines from the other side of the world as well.

We search for the best winemakers so we can share their finest wines with you. These winemakers we seek, more often than not, are producing organic or biodynamic, to create a wine truly representing its origin.

In our wine cellar we have many wines with just a few bottles in the cellar, we will let you know when it's the last one (lucky you!).

Santé!

All our prices are in €.
